**3.4 Please describe the benefits to the community the society aims to deliver?** Here we are looking to see *what* the intended benefits to the community are. Community can be said to be the community at large. For example, are you relieving poverty or homelessness through the provision of social housing.

**The Society's purpose is to be the vehicle through which a healthy, balanced and constructive relationship between Sheffield Wednesday Football Club, its supporters and the communities it serves is encouraged and developed.**

**Supporters of Sheffield Wednesday Football and residents within Sheffield who are sympathetic to the objectives of the constitution**

**3.7 In what ways does the society intend to raise funds to set up and run its business?** For instance, are you intending to apply for grants, seek capital from members, take out a loan.

**The Society will fund its activity through membership fees, traditional fundraising and donations.**

**The Society Board may pay interest to holders of Community Shares as compensation for the use of such funds, but the rate of interest shall be no higher than the Society Board considers to be necessary to attract the funding needed for the business of the Society and shall not in any event be higher than 2% above clearing bank base rate from time to time. The rate may vary within these limits between different issues of shares;**

**No withdrawal of Community Shares or payment of interest on them shall be made except from trading surpluses and any withdrawal or payment shall be at the discretion of the Society Board having regard to the long term interests of the Society, the need to maintain prudent reserves and the Society's primary commitment to community benefit;**

**3.8 What will the society do with any surplus or profit?** For instance, will money be reinvested in the business; put into reserves; used for some other purpose?

**The surpluses of the Society are not to be distributed either directly or indirectly in any way whatsoever among members of the Society but shall be applied:**

**To maintain prudent reserves;**

**On expenditure to achieve the Society's objects;**

**In paying interest on or repaying issued share capital in accordance with the provisions of the society Rules.**

**3.9 Please state any significant commercial arrangements that the society has, or intends to have, with any other organisation that could create, or be perceived as creating, a conflict of interest.** Please tell us how you will ensure that any such conflicts of interest do not prevent the society from acting for the benefit of the community.
